

Oak Orchard HEALTH

Family Medicine • Pediatrics
Dental • Optometry

Your hometown health center ...

... serving rural and small town families since 1973

Oak Orchard Health is a 501(c)3 not-for-profit Federally Qualified Health Center (FQHC), providing patient-centered preventative and primary care for individuals and families. Services provided include family medicine, pediatrics, dentistry, optometry, gynecological clinical services, WIC, and agricultural worker services.

We are certified as a Level 3 Patient Centered Medical Home, the highest certification. Oak Orchard is a provider of choice and an important health resource available for all residents of Orleans, Wyoming, Genesee, and Western Monroe Counties.
